Flooded Lead Acid / FLA Industrial = Five (5) Year Full Replacement Warranty

LIMITED WARRANTY DISCLAIMER

1) Scope of Warranty: Free Replacement Period: All Crown batteries are warranted to be free from defects in material and workmanship for indicated time frame above. Any battery which demonstrates a defect in material and workmanship (discharged or sulfated batteries do not apply) within the Free Replacement Period will be replaced or repaired at the option of Crown Battery, free of charge, except for the cost of transportation of the battery.

2) Limitations: In all sales other than direct retail sales by the seller of batteries considered to be consumer products to individual consumers, the forgoing warranty is in lieu of all other warranties not expressly set forth herein, whether express, implied or statutory, including those of merchantability or fitness for a particular purpose. The seller's liability for breach of this warranty or for any other purpose is limited, at the seller's option, to the replacement of the battery or a refund of the purchase price of the battery. In any event, the seller's maximum liability shall be limited to the refund of the price paid for the battery. THE SELLER IS NOT RESPONSIBLE FOR ANY INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL COSTS, INCLUDING ANY EXPENSES FOR INSTALLATION, TOWING, ELECTRICAL SYSTEMS TESTS, CHARGING A BATTERY OR LOSS OF TIME. PLEASE NOTE: SOME STATES DO NOT ALLOW LIMITATION ON HOW LONG AN IMPLIED WARRANTY LASTS, OR EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATIONS MAY NOT APPLY TO YOU. THIS LIMITED WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS AND YOU MAY HAVE OTHER RIGHTS THAT VARY FROM STATE TO STATE.

3) Exclusions: The warranty does not apply to batteries that are only discharged, have broken containers, covers or damaged terminals, have been frozen, overcharged, sulfated, have foreign material or additive put in the electrolyte, or when evidence of abuse or neglect is present. The warranty also does not apply if Crown Battery's proprietary manufacturing code markings have been tampered with or destroyed, if the battery is used in applications for which it is not designed, or if it was installed or charged in reverse. Batteries installed in electric vehicle applications must not be used to run auxiliary loads that are unaccounted for by the battery charging system and such use will void the warranty.

4) Warranty Service: Return the suspect battery to any factory service center or factory authorized distributor, wholesaler or dealer. If an authorized representative cannot be located, contact Crown Battery's Customer Service Department via phone (+1.419.334.7181) or email (sales@crownbattery.com). An authorized factory representative will be appointed to perform warranty service.
